All-Star/TEAM CALIFORNIA- Audrey Bowden, Ian Cardwell, Lydia Chang, Madisyn Paras, Jack Robin, Sophia Shi, Dylan Shui and Emma Wang. This year was a fun ride with a solid performance at Alhambra GC and winning the SCPGA Section qualifier. We were victorious again in the Section Championship at Arrowood GC. and advanced to the Southwest Regional in Tucson, Arizona. Winning in Tucson was a great achievement for this year's team, we battled the golf course, two teams from Northern CA and the wind, rain and lightning to advance to the National Finals in Frisco, TX. I am so proud of this year's team for hanging in there, never giving up and achieving amazing things- 2024 will be a year we will all remember for many years to come.
